

Hello BHS parents and caregivers!!

We are transitioning our UpToUs chat room to the Bloomz website and app. Its interface is similar to Facebook, while staying private and secure. We will be using the site for the PA calendar and news, volunteer opportunities, parent-to-parent communications, and more! There's also been considerable interest in creating a parent directory with all your faces. We highly encourage everyone to upload profile pictures for both you and your BHS student when setting up your account.
